7. The Following subjects are of special concern to us. **Both parents/custodians please initial each.** Your initials indicate each subject is read, understood, and agreed upon.
- A. (_____) (_____) **DIAPERS/WIPES:** It is the parent's responsibility to provide diapers, wipes, and diaper cream for your child. **It is also the parent's responsibility to check periodically to see if or when your child needs more diapers, wipes, and cream, (not the providers).** Each child has his or her own labeled diaper bin, either in the infant/younger toddler room or older toddler/preschooler room, depending on the age of the child.
- B. (_____) (_____) **SHOES:** Younger children love to take off their shoes. It is for this reason that we prefer **children come to daycare in shoes that lace up and/or stay on their feet.** If your child has these types of shoes on then we can control when and where they come on and off. Therefore we can assure you that his/her shoes will be available for you at pickup. However, if your child comes to daycare in flip-flops, Crocks, or other types of shoes that fall off or get taken off, then we cannot guarantee their availability at pick-up, as they will have most likely fallen off or been taken off and hidden in an outside toy or bush at some point during the day. **In times when these types of shoes are worn, due to matters outside of our full control, parents hereby resolve to Learn and Grow Childcare Center of all responsibility for the shoe's safe return and/or the ensuing scavenger hunt.**
- C. (_____) (_____) **TRIAL PERIOD:** The **first 30 days of your child's enrollment will be regarded as a trial period,** in which case either party may terminate the contract without notice. Each child responds differently to a new environment, new children/providers, and moms/dads absence. We are patient and good at what we do, so most of the time this is a non-issue. However, there are rare times in which we must consider the well-being of the group (the other children in our care). If for whatever reason, either party feels our childcare environment may not be the best fit, either party reserves the right to utilize this period as a trial and terminate the contract without resentment, judgment, or ill-will.

In such cases, your two-week deposit can either be utilized (except gross misconduct on the part of the provider/parent/child) or returned to you for immediate discontinuation of service.

- D. (_____) (_____) **TERMINATION POLICY:** After the first 30 days of enrollment, **60 Days written notice from the parent or provider is required to terminate the contract**, except for gross misconduct on the part of the provider, parent, or child. **Whenever possible even more notice is better.** This helps us tremendously. The reason being, unlike childcare centers, we can only take a limited amount of children. So when we are full we are forced to say NO to all incoming requests for childcare. If we have advance notice of discontinuation of needed services then it is possible for us make future arrangements with new family's inquiring about daycare for their child. This helps to keep our open spots fluctuation to a minimum, and helps us be able to focus more on being the best childcare providers we can be, instead of worrying about "the bills", and putting food on the table.
- E. (_____) (_____) **HOURS OF OPERATION:** We are open from open **Monday through Friday 5:30 am to 7:00 pm. We close promptly at 7:00 pm.** At 7:00 pm each day we have to quickly run off to our children's soccer, baseball, karate, and wrestling games/practice. So please be considerate of our time when budgeting yours. If your late to pick up "once in a blue moon", because of bad traffic or whatever, we understand and no hard feelings. But if late pickups become a regular occurrence, then we may not be the best fit for your childcare needs, and we may be forced to terminate our childcare arrangement.
- F. (_____) (_____) **DAYCARE INTERIOR/EXTERIOR DOORS:** Children love to go through open doors. If a door is opened most of the younger children will follow you through it. As you can imagine this can be disruptive to temporarily loose control of which children are in which room with each parent pickup and drop off. **So please promptly close each door after opening it without letting any children following you through it.**
- G. (_____) (_____) **GUIDELINES REQUIRING EXCLUSION FROM DAYCARE:** **A child with any of the following illnesses must be completely free of any symptoms before returning to daycare.** If your child is taking antibiotics for an illness, your child may return to daycare after the initial 24 hours of beginning antibiotics as long as he or she has a slight to no fever (under 100F under the arm), no longer contagious, and is otherwise feeling well enough to participate in our daily schedule. Signs of illness include the following; unusual lethargy, irritability, persistent crying for no reason, runny nose (more than clear), cough (more than slight), difficulty breathing, diarrhea, vomiting, mouth sores, rashes (note from doctor stating non-contagious is ok), pink eye, chicken pox, mumps, measles, roseola, hepatitis A, impetigo, lice, ringworm, scabies, strep throat, scarlet fever, tuberculosis, shingles, and any other contagious disease or rash. **Any child with a fever of 100 degrees or above, orally (in the mouth), or axillary (under the arm), may not attend daycare.** State law requires that we notify parents of children who have been exposed to certain contagious diseases. Please notify us if your child becomes infected, so a note can be posted.
- H. (_____) (_____) **PICK-UPS AND DROP-OFFS:** (a) **Please make your pick-ups and drop-offs brief (no more than a couple minutes).** As you can imagine it takes quite a bit of effort to retain control of a room full of two year olds. Children act up considerably when other parent's are present. If you linger this makes our job much harder. Please understand, we are a home daycare, and not a

mommy and me class. If you feel the need to run around and play with kids, then may we suggest you take your child to a park and/or open your own daycare. **(b)** Please send your child clean, dressed (no pajamas, unless you don't mind your child wearing their pajamas all day), fed and ready for the day, as well as all of your child's necessary supplies needed for that day's care. **(c)** Never leave without telling your child goodbye (don't sneak out). **(d)** Please be in control of your child during drop-off and pick-up times.
